Hi Steve,

I hope you are well. Can you please confirm the batch number of the D5155-041 Collective head you would like to exchange/return? Also has this unit been installed or flown?

Thank you,  
Jennifer

Mike,

RA112302

I would like to see if we could do a no cost exchange of a D5155-041 Collective Head for a D5155-047 Collective Head.  
When the order was placed for the Collective heads for the six helicopters we have, they were all requested at the same time.

I have one Bell 205 that has the earlier style collective stick and thus needs the D5155-047 head.

We are just about finished with the LH PIC Collective head upgrade on the fleet and will be returning all of the first generation collective heads to you under a previously issued DART RMA# RA112115.

Thanks Mike. Let me know if you have any questions.

Regards,
